RE: Murphy v. Onondaga County, *et al.*  
Docket No: 5:18-

Dear Judge Baxter,

I have received Onondaga County's request for an extension of time in which to file a Rule 12 motion. While I generally concede to such extensions and I do not wish to oppose this if possible, I note that the period requested is lengthy and I have not been informed as to why it is necessary. While I'm sure that my opponent has a very good reason, and I very much try to be amenable to such requests, I would respectfully ask to be informed as to why this lengthy period was requested before I respond to it.

Very truly yours,

Jeffrey R. Parry
